

Ultra African Vocals 3 have stepped up to provide you, the music creators, with the ultimate addition to your productions: vocals that are tribal in nature but cover a wide range of genres. This is the extra something you need to elevate your instrumental House, Deep House or Techno track into a chart-topping release. Inside this pack, you will find both male and female African vocals from Kenya and Zimbabwe.

Product details:

• 98 Vocals • 25 Songs • Leads, Harmonies, Doubles, AdLibs • This pack brings you vocals recorded in Shona, Swahili and Kikuyu • 100% Royalty-Free.
