

'Ultra Bass House Vocals' is filled with amazing, dirty and vulgar EDM shouts! Whether your track is lacking that killer line, or you're in need of some pre-drop vocal then this pack might be the answer. It brings you top notch 45 files of cool chants, phrases and rap lines!

This set is inspired by tracks of Jauz, Jvst Say Yes, Habstrakt or Joyryde. All vocal loops have a warm vintage feeling applied, ready to sit in your mix with no extra effort!
