

Deep House Vol.2

Big Sound is very delighted to present the second installment of our extremely successful Ultra Deep House Vol.1 from talented sound designer and producer Insight.

Ultra Deep House Vol.2 is another high quality slice of deep and groove house. Picking up where our best-selling Vol.1 left off and raising the bar in every aspect, this pack takes his trademark eye for detail and exceptional production technique, and delivers you an inspirational sample product that will energize your latest deep or tech house productions.

This collection comes pack with heavy-hitting basslines, punchy drums, euphoric synth lines, atmospheric vocals and future inspired production, giving you the perfect starting point to create great sounding tracks without wasting hours on finding inspiration or right sounds.

Ultra Deep House Vol. 2 includes MIDI files for all musical phrases heard in each Kit and also for groove elements, allowing you to tweak the melodies and sound design to suit the needs of your production. MIDI has the added benefit of allowing you to go to extremes of pitch and tempo beyond which the loops were originally recorded, with no time stretching or pitch shifting artifacts.

This pack also includes One-Shot samples, allowing you to create new beats, fills and loops or to re-create a reference drum grooves and phrases from original kits. Simply load them up into your sampler of choice and create an infinite number of new grooves and phrases.

All of the loops in this product are 100% Royalty-Free (including the vocal loops), so once purchased, you can use these loops in your commercial releases without having to pay any hidden costs.

- 5 Construction Kits
- 85 MIDI loops (incl. drum patterns)
- 182 Wav Loops
- 57 Premium One Shot samples (44.1 kHz/24-Bit)
- PC/MAC compatible
