

Ultra EDM Trap is a brand new and killer pack by Big EDM loaded with 12 chest-pumping construction kits, 150+ kick samples, Sylenth1, Spire & Massive Presets, 50+ drum loops, drum and synth one-shots and much more!

Ultra EDM Trap features only the most current, energetic and fresh sounds that will instantly make your tunes sound huge and sharp.

As usual we've prepared 12 construction kits, with all MIDI, presets and Dry / Wet versions provided.

If you are looking for some dirty 808 kicks, you will love our "808 Kicks" folder, that contains 12 kick packs with more than 140 key-labelled kicks inside.

Top loops, drum loops, tight kicks, claps & snares + key-labelled synth shots - all perfectly crafted to give your sound the needed edge and thump.

All of this plus a nice collection of fresh and sick Sylenth1, Spire & Massive presets makes this pack a must-have for all serious EDM / Trap producers.

Product includes:

- 12 Construction Kits
- 144 808 Kicks
- 59 Drum Loops
- 40 One-shot Samples
- 39 Presets (Sylenth1, Massive, Spire, Serum)
