

Ultra Female Vocal Cuts brings fresh collection of chopped vocals into your studio. Vocal chops became a new standard of today's music, you can hear them in almost every genre and famous track. So Function Loops did the hard job for you to deliver 150 key-labelled female voices in this top quality sample pack.

You will find 50 dry vocal loops, 50 wet vocal loops and 50 vocal one shots, maximum flexibility while working on your next track. All content recorded at 24-bit WAV quality, 128 BPM. You can easily change the BPM and key to fit your production. Vocals are perfect for Future, Electro and Progressive House, Deep House, EDM, Trance, Future Bass, Trap and beyond.

All content is 100% royalty-free.
