

With the Festival Season and UMF officially kicking off this week, EDM Sound Productions is proud to present "ULTRA MADNESS 2017".

Inspired by some of the biggest DJs and producers such as Hardwell, W&W, MOTi, KSHMR, R3hab, Don Diablo, Marshmello and many more this pack provides the tools for next level EDM.

'Ultra Madness 2017' contains five Key/Tempo-labelled Construction Kits with MIDI, Drums, Vocal chops, FXs and Anthemic melodies and Drops.

This is one pack you don't want to miss from your collection!

Whats in the pack:

- 5 x construction kits
- Drums
- Vocal Chops
- FXs
- MIDI Files
- Melodies & Drops
- WET & DRY Files for more flexibility
- Royalty Free
