

Ultra Techno Vocals: Underground is the ultimate vocal sample pack designed to ignite your techno, rave, and minimal productions. Packed with gritty vocal hooks, raw energy, and underground vibes, this collection delivers the powerful vocals your tracks need to stand out. Inside, you'll find highly curated vocal lines, edgy lyrics, and a mix of different artists voices with unique textures. Every sample is professionally processed with premium effects and precision mixing, ensuring they drop seamlessly into your workflow.

Whether you're producing peak-time techno, dark rave anthems, or minimal grooves, this pack brings the heat with catchy phrases, dirty vocal chops, and infectious melodies that demand attention on any dancefloor. Product Details: • 40 Dry & WET Vocals • 20 Dry Vocal Phrases • 20 Wet Vocal Phrases • 20 Original Phrases • 124 BPM • 100% Royalty-Free
