

Our ears are always turned towards the Future and so we are always ready to give you the sounds of the future here, in the present! And what is hotter right now than all the Future Bass tracks you currently hear on the airwaves? The answer is Big Sounds United Future Bass, the pack that will up your Future Bass game!

This is a pack you definitely don't want to miss! In it you will find 5 complete kits, offering the greatest tools and source of inspiration you have been missing. All kits include Bass loops, Chords, Percussions, FX and Instruments, including pianos, pads and vocal chops, and of course all drum loops, claps and hi-hats.

All kits are clearly labelled with key and bpm and all sounds are ready to drop into your next project. Also, with each kit you get the wav files, midis and vst presets (Serum and Spire) used to create our distinctive sounds! For presets you will need Spire v1.1.12 and Serum v1.214 or later versions

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.
