

Universal Pop & Vocals takes its influences from the amazing '80s and 90's mixed and glued together with the sound of now.

The Driving Pop beats in this pack were inspired by the most popular 8 and 12-bit drum machines, the bass and synth lines are a fusion between Future Pop and the 90's way of making pop music.

Filled with a dazzling amount of 255 audio files and divided into folders like Vocal Phrases, Vocal Loops, One-Shots, Music Loops, Instrumental Loops, Fx, Drum Loops and Bass Loops.

We improved the distribution of the included samples & loops, the content is now laid out in a more creative way. All chopped and processed, ready to be dropped in your DAW or samplers.
