

HighLife Samples presents "ASOT Uplifting Construction Kits". This pack of ten kits is perfect for producers that are looking for fully flexible Trance Construction Kits.

Inspired by top trance EDM artist such as Armin van Buuren, Above & Beyond, Daniel Kandi, Sean Tyas, Robert Nickson, Stoneface & Terminal, The Thrillseekers, Alex M.O.R.P.H. and many other artists.

Each kit features a powerful selection of kick, claps, hi-hats, percussion, FX loops, basslines and melodies. This excellent production pack also contains a folder with MIDI files for bass and melody parts allowing you excellent editing flexibility. Grab this pack and create your next dancefloor killer track in minutes!

#### Pack Details:

- 750 MB of content.
- 24 bit/44.1 kHz loop samples.
- MIDI files for each kit.
- All kits are 138 BPM and key labelled.
