

Are you looking for that one uplifting trance melody that will take your track to the next level? Then look no further! With this bundle pack, you get over 471 files in total including amazing quality melodies in midi and WAV formats, plus spire presets for a discounted price.

We've done all the work for you, all trance midi melodies work out of the box and give your track that extra energy. Just drop them inside your DAW, and you're good to go.

With the midi files, you can edit and write your own melodies in minutes and play them on your favorite VST or use the Spire presets that come with this bundle. With this incredible 'midi tool', you don't have any limitations with audio.

All files are BPM and key-labeled for easy navigation.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want
