

Engineering Samples - Urban G-House Vol.2

Engineering Samples RED is back with our most successful Sample Pack ever: "Urban G-House Vol.2"

Including 5 construction Kits brimmed with over 558 MB full of powerful Basslines, fat & subby Kicks, dark gangster Vocals, energetic FX and much more.

All of the Main Elements are available with & without Sidechain-Compression and exist in a Dry & Wet version for maximum flexibility.

To give you even more sounds to play with we've added an extra folder with 17 Inspiration Vocal Shouts.
