

"VIP Trap" from Function Loops delivers 5 Key-Labelled Trap Kits, loaded with WAV & MIDI Loops. You will find Beats, Bases, Leads, FX & Vocal Shouts, Strings, Pads and everything else you can hear in the demo. If you are Trap producer - it's an essential collection to fasten your studio work flow. If you are a rapper, just use the full musical bounces to record your songs and release them as your own. 100% Royalty-Free.

As a bonus, includes mastered and radio-ready mixes to lay your vocals on or use in your productions (100% royalty-free). Release as your own - no string attached.
