Vadim Bonkrashkov is proud to present his new «Elements» Ableton Live Template.

It is a brand new template produced in Ableton Live implemented in the festival Uplifting Trance style like masterpiece Aly & Fila, Ahmed Romel and other artists from Future Sound of Egypt, Armind label. In this template, you will find out how to build an energetic trance production with powerful kick & bassline, that traditional Aly & Fila's sounds on breakdown with powerful arpeggio in the drop and beautiful melodies with athmospheric pads & voices playing with traditional arabic instruments. Also template ready for vocals part!

You get an insight into the processing of the individual channels, through the use of EQ, compression, distortion, delay, reverbs and more.
