Vadim Bonkrashkov is proud to present his new «Eyes» Ableton Live Template.

It is a brand new template produced in Ableton Live implemented in the festival edm style like Martin Garrix or another artists on STMPD RECORDS. In this template, you will find out how to build an energetic edm production with powerful kick & bassline, that traditional Martin`s sounds on breakdown with powerful leads in the drop and beautiful melodies in breakdown. Also template ready for vocals or vocal chops part!

You get an insight into the processing of the individual channels, through the use of EQ, compression, distortion, delay, reverbs and more.
