

Vadim Bonkrashkov is proud to present his new «Roses» Ableton Live Template.

It is a brand new template produced in Ableton Live implemented in the deep house style with trending stutter effect on vocal sample and leads. In this template, you will find out how to build an energetic edm production with powerful kick & bassline, that traditional Deep House sounds. Also template ready for vocals or vocal chops part!

You get an insight into the processing of the individual channels, through the use of EQ, compression, distortion, delay, reverbs and more.
