

‘Vadim Bonkrashkov – Spire Essentials’ is a brand new Trance Spire Soundset created by talented artist Vadim Bonkrashkov. This is a set of 100 ORIGINAL & professional Spire presets made for trance music production. It contains many modern-sounding leads, bass sounds, plucks, and pads. These are the sounds being used in the audio demo. With energetic basslines, pumping leads & plucks, and beautiful pads, this is a perfect soundbank for anyone looking to create modern, big room, festival sounding trance tracks.
