

'Vadim Bonkrashkov – Spire Essentials 2' is a brand next Trance & EDM Spire Soundset created by talented artist Vadim Bonkrashkov. This is a set of 100 ORIGINAL & professional Spire presets made for trance music production. It contains many modern-sounding leads, bass sounds, plucks, pads and low pads for your production. These are the sounds being used in the audio demo. With energetic basslines, pumping leads & plucks, and beautiful pads, this is a perfect soundbank for anyone looking to create modern, big room, festival sounding trance & EDM tracks.
