

Bingoshakerz presents Variavision:Funkalicious Tech House.

300 Mb+ of cutting-edge deep, tech & classic house sounds produced by Variavision (InStereo, Hotfingers) trio.

Packed with analogue-infused basses, TB-303 acid grooves, M1 piano's, lush pads, synthwave-leads, funky rhodes, filtered disco loops, slammin' top & percussion sounds, glitched & pitched vocal phrases, live drum fills, rising FX and exploding drops.

Totalling 271 of sounds & loops inspired from early 80s to modern sound of today – the collection puts wide arsenal of analogue sounds at your fingertips.

Perfect choice for any Classic, Future, Tech & Deep House, Nu Disco or Synthwave producer.
