

Nostalgic chord progressions, chunky guitar licks, analogue-infused bass loops, live bass guitar jams and modern beats – “Vintage Synthpop” delivers 900 Mb+ of expansive and nostalgia-driven sounds for Synthwave and Synth Pop productions.

Drawing inspiration from late 80s to modern day sound, “Vintage Synthpop” is carefully curated collection of loops and samples suitable for producing single tracks, scoring TV soundtracks or filling your multimedia needs.

Packed with expertly produced bass loops, stripped drum loops, funky guitar workouts, melodic synth progressions, robotic vocal phrases, body-moving top loops, single drum and synth sounds, FX loops and massive collection of MIDI files for additional layering and re-programming.

Served with WAV, MIDI & Rex2 formats, this collection is ready for drag and drop action into any DAW or sampler.
