

Cloudy Samples is proud to present "**Visions**" - collection of chillout music loops, drum loops, synthesizer presets, samples and MIDI files. Even a Live 10 template and full of sounds Reveal Sound's Spire soundbank will perfectly fill your next production, definitely inspiring you to create something new, something fresh, something special. There is no need to own Ableton Live 10 to access sounds, because everything is exported with separated loops, midis and presets. You will find beautiful, uplifting loops and catchy samples that you never heard before. Every melody loop has a raw MIDI file and corresponding preset, so you can easily change the tempo, velocity and key, fit your sample or preset to your own exact requirements.

Everything categorized in folders for an easy access. Every sound in this pack is 100% Royalty-Free, so once purchased, you can use them in your commercial releases without having to pay any hidden costs.

Please Note: To access synthesizer presets, you need an up to date Reveal Sound's Spire. To access Live 10 template, you need an up to date Reveal Sound's Spire and Ozone Elements.
