

"Vocal Instrumental Funk Soul" By Audentity Record is the next step into their popular Vocal sample-libraries.

Our team focussed heavily on the funk and soul genres, these genres has proved to be very cool when mixed with vocals.

The music loops contain many electric guitars, real bassguitars to funky pianos! A perfect combination of contemporary sound & the sounds of the 70's with royalty free vocals.

Tender female vocals accompany the usable and inspiring melodies and bass loops, fusing into amazing musical foundations and inspirations.

The vocal loops are split into several usable sections such as verse, pre chorus, bridge, chorus, outro and if applicable with the necessary doubles.

Filled with a dazzling amount of 268 audio files and divided into folders like: Vocal Loops, Short Vocal One Shots, Instrumental Loops and Vocal Chops and Songstarters

In detail, you can expect 875mb of content with all audio at 24Bit & 48KHZ.
