

Audentity Records is back with the 3th episode of the hit series: Vocal Megapack.

'Vocal Megapack 3' is the ultimate collection of female vocals and hit potential construction kits.

To give you something special, we made 6 total different construction kits, genres vary from Future Pop, E-Normous House tracks, Diablo house, EDM and Future Bounce.

Looking for catchy vocal toplines? construction kits, midi and presets? Audentity Records does it again: bringing it to you in 1 megapack!

Everything in the pack is royalty free: vocals, samples, loops, music.
