

It has been already a few years since we first released our 1st Vocal Megapack sample toolkit.

It has been amazing how many producers have used our vocal packs in their records during the years.

From talented starter producers till the biggest names on earth have been using our vocals and kits, they loved it and many of them had success.

Our team decided to make another new sequel: It is time for Vocal Megapack 7.

New vocals, new construction kits, midis, presets and loops, this pack contains over 400 files.

All Royalty Free.
