

“Voices from the Future” by HighLife Samples it’s a must-have royalty-free vocal sample pack for any EDM music producer looking to elevate their tracks to the next level.

This product has 100 super cool vocal phrases to quickly spice up your music productions!

Each of the 100 vocal phrases in “Voices from the Future” has been carefully crafted to deliver an otherworldly experience. With this pack, you’ll have access to a range of futuristic vocal phrases perfect for creating unique and captivating EDM tracks.

One of the best features of this product is that all the vocal phrases are royalty-free. This means you can use them in your commercial productions without worrying about legal issues or additional fees. You can drag and drop the vocal phrases into your DAW and start creating your masterpiece.

“Voices from the Future” also includes dry and wet versions of the vocal phrases. The dry version is perfect for those who want to add their own reverb and effects, while the wet version already has a built-in reverb and other effects applied. This gives you the flexibility to use the vocal phrases as they are or to customize them to fit your specific needs.

Furthermore, each vocal phrase is labeled with a key scale and BPM. This makes it easy to find the right vocal phrase to match the key and tempo of your track. You won’t have to waste time figuring out which vocal phrase works best for your production.

Please note: This sample pack includes only vocal phrases. The other sounds you may have heard in the demo song are not included in the pack.

What’s more, everything you get is Royalty Free! Buy once and use any of your projects in as many combinations as possible. Compatible with all DAWs and suitable for genres such as House, EDM, Techno, and more.
