

Feel the world of atmospheric vocals along with the fresh sample pack – Voices of Heaven by Alkyne Tunes. This is a collection of ambience vocals that is perfect for many genres from Chillout to Trance music.

Voices of Heaven includes wet and dry variations of vocal ad-libs, blurred ambiences and amazing vocal hooks.

All WAVS are tempo synced and key labelled for the maximum comfort.

IMPORTANT: Melodic components are not included and they are used in the MP3 preview for demo purposes only! This pack contains the only vocals samples.
