

Laniakea Sounds are proud to announce the very first artist sample pack by Wanna Wake - "Dirty Trap & Dubstep". Expect nothing but the finest from this heavyweight, wild and banging 100% royalty free selection!

Wanna Wake - is a young Kiev based DJ and producer duo, known as one of the brightest and most promising representatives of the eastern Europe bass music scene. They are not afraid to do a lot of experiments and blur the lines between genres to make their music go beyond the conventional limit. Even though the project is pretty young, several successful releases have already been made which helped guys to gain a lot of popularity on the domestic market as well as outside the border of their origin. For a short period of time, Wanna Wake received a large number of positive feedback from its own audience and from famous artists. Their tracks are played on the biggest festivals throughout the world and supported by such major artist as Diplo, 4B, Afrojack, Spag Heddy, Tokyo Machine, Sophie Francis, Major Lazer, Ray Volpe, Laidback Luke and Ummet Ozcan.

The library that the guys have created is truly amazing. Inside there is everything you need for your new powerful track: explosive bass, earthquake drums, unusual grooves, exciting melodies, juicy drum fills, buildups and cool effects.

This package will fit perfectly to Dubstep, Trap, Future Bass, Electro House, EDM, Rap and any other related genres.
