

Description Weekend Trap vol.2

We present "Weekend Trap Vol.2" by Seven Sounds, and like its previous volume, this pack is also inspired by the Trap genre with Synthwave fusions. A content with enormous ideas and energy, which also contains analog synthesizers, electronic drums, analog bass, inspired by Roland Juno synthesizers and more. As an addition it contains vocal hooks that you can also use in your songs. If you are looking to give your next songs a unique sound then this content is for you. 100% royalty-free.
