

'What About: Acid Bass Sounds For Spire' from W.A. Production contains 60 fat Acid Bass presets for Reveal-Sounds Spire VST. These sounds are designed for EDM, but they are also useful in other genres such as Dubstep and Trap.

Create your own chart-topping Acid banger with this incredible new soundset.

Every single preset has its own unique sound and can be radically altered by adjusting the filter cutoff.

Reveal Sounds Spire VSTi Synthesizer is getting more and more popular every day thanks to its unique synthesis engine and the possibility to create previously unheard sounds. Get this fresh new soundset today.
