

Hey headbangers, time to leave the competition in a haze as you blaze. Blazed Dubstep from W. A. Production is jam-packed with hard and insane talking synth lines, energetic builds that will catapult your drop to new heights as it explodes leaving nothing but ashes in its wake.

Whether you want to make something epic, triumphant and melodic or just lay it down dark and dirty Blazed Dubstep from W. A. Production is giving you the most diverse dubstep loops and audio samples. There is something for every sector of the Dubstep genre. We've included such sounds as gnarly growls, dirty wubs, bouncy melodies, intense orchestra sounds, retro and futuristic arps, plucks, and more.

Explore our custom drum loops or build your own with any of the kick, snare, and cymbal one-shots. Dive into some of the most brilliant melody loops, bass lines, and FX. Love Serum? We are including our recipes and giving you presets and tables for Serum.

Let your next mix flourish with interesting rhythm, timbre, and creatively fashioned drum patterns. Combined with your creativity and our professionally rendered audio samples your audience will experience a full spectral waterfall of sound.

Whether you need to submit to a label, score a film, create music for video games, or just tear up the charts our sounds are professionally designed, mixed, and carry the highest regard for quality. Our WAV/MIDI loops are compatible with any DAW that allows you to import WAV/MIDI format. We even left enough headroom for you to customize these sounds any way that you want.
