

Are you seeking audio samples that are as diverse as your style? EDM Vishnu from W. A. Production is loaded with over 3GB of off the charts EDM sounds. Inspired by such artists as KSHMR, Dropgun, Timmy Trumpet, 22Bullets, Jetfire and more to offer you the widest variety of amazing samples to add to your library.

Not only are we giving you audio samples like tight snares, powerful leads, epic pads, and crisp cymbals. We are hookin' ya up with 5 Construction Kits. All of which are professionally crafted and ready for your creative vision to bring them to life.

Whether you need growls, chill strings, swelling synths, punch throat kicks, trap-style hats, psytrance infused bass sounds and fx, horns, worldwide percussion, middle eastern plucks, apocalyptic impacts, high energy risers, deep bass, or anything in between. It could be dark, it could be melodic, it could even be that chart-topping infamous synth sound. EDM Vishnu from W. A. Production has the tools of the trade that you need today.
