

W. A. Production is bringing the bass with What About: Electro Stampede. Get ready to experience a massive array of the finest Electro sounds to date. Our samples are guaranteed to sound amazing whether you are at home, in the car, at the club, or any live situation.

Inspired by such artists as Knife Party, Dropgun, Dyro, TV Noise, DubVision (and more) you will get everything you need from not multiple packs, one pack is all you need to create astounding Electro. All of the sounds in this pack have been designed to work in perfect harmony with each other. Don't like a certain sound? No problem, change it out with any of the several included options.

Included in the pack are 5 Construction Kits. Construction Kits are perfect for expanding creativity, for those who need to create a mix, like yesterday, and those who need to know how to make EDM.

We are giving you synth plucks, arps, shorts and with sustain, bass stabs and strums, kicks that thump, pump, boom, and shake the ground beneath your feet. FX that rise, fall, snap, crackle and pop. Melody loops that groove, twist, turn, bounce, uplift, entice, allure, and inspire. And of course, all of our audio samples are professional quality to give you a professional sound for whether you are submitting to a label, influencer, playlist or selling as a digital download.

What About: Electro Stampede from W. A. Production is your one-stop-pack for all of your electro dreams and digital needs.
