

W. A. Production is staying in the lead bringing you guys the latest sounds so you can be the first to unleash totally original tracks with the best in Future EDM. Future EDM Energy is loaded with 3.24GB of possibilities. We've got the staple "go to" sounds to lay down your foundation including, formed traditional hi-hats, frequency modulated bass lines, elastic style drops and electro snares. On top of that, we've got the most solidified FL Studio templates, construction kits and loops that are never monotonous or emulate what is already out there.

Working for you are top industry leaders in audio production alongside the most creative minds at the soundboard. W. A. Production offers only the utmost in quality, originality, and sustainability that will last longer than just one mix or passing trend. Stay away from the old and break away from the mold with W. A. Production's Future EDM Energy.

We understand you have a choice when you are shopping for high-quality audio loops. We also understand you don't want to spend hours of production time searching and piecing together all the elements you are looking for. Let us save you time, money and frustration. This pack not only includes the optimum in audio quality templates, kits, loops, drums, synth leads, and transitions.

We give you FL Studio templates and construction kits that are 100% complete with everything used to complete an endless amount of possibilities. We are giving you the insider secrets behind what we do in hopes to inspire you and let your creative juices flow. Break the block. Stop putting your tracks on the back burner because you are stumped. Open this pack and add that texture, add that transition, modify and manipulate.

The fine print:

Here at W. A. Production, we adhere to a strict standard of quality. We spend time behind the board with our hands-on and our ears open accepting only the best of the best. Our producers are affluent in the EDM scene and are at the forefront of creation. We won't put our name on just anything. This ensures you that there are no regurgitated sounds of yesterday. We want to be the leader, we want your mix to lead. We stay one step ahead of the game and offer these sounds to you so that you can master your craft and get the results you want.

You expect the best and so do we. Buy our packs with confidence and knowing that you'll get the latest and most innovative sounds with the utmost respect for audio production quality.
