

**"What About: House Revolution"** an amazing sample pack made by W. A. Production created for all EDM & House freaks out there! Inspired by the hottest Hexagon / Spinnin producers & tunes. In this pack you will find 6 construction kits + 5 FL Studio template - and hundreds of unique sounds & samples. All compiled into one 3,6+ GB huge library.

This library is created mainly for FL Studio users, HOWEVER since all of the templates are provided also as construction kits with MIDI's - at the end of the day it really doesn't matter which DAW you are using.

Together with FL Studio projects and Kits, we've also created an amazing collection of Melody Loops, Drum Loops, Drum Samples.

Don't waste any more seconds and get this ultimate pack right now!
