

Are you itching to make some epic melodic dubstep? Have you been searching endlessly for the right kick, or maybe you need to that insanely hypnotic bass line? We've got a pack that is unlike any other. Melodic Dubstep Torch from W. A. Production.

Just give a listen to the demo track on the right. We not only give you everything you need to make a complete track such as melody loops, synth one-shots, drum loops, and one-shots, uplifters, impacts, bass lines, percussion, and atmospheric pads. We give you multiple options to choose from. Using sounds from this pack alone you could have a finished track in 10 minutes.

Lay down some thick wubs, and overlay with beautiful strings. Create a lead with a distorted organ that is sharper than any blade. Bring in the cinematic drama with full choral lines. Create something dark, create something uplifting and inspiring.

Our sounds are of top-notch professional quality and ready to load and go from the start. Use these sounds to create your own soundscape for gameplay, to showcase your ability and submit to a label or Spotify playlist. No matter the need, no matter the skill level. Using the best sounds gets you the best results. Pick up Melodic Dubstep Torch from W. A. Production.

Melodic Dubstep Torch from W. A. Production is inspired by such artists as Seven Lions, CMA, Oliverse, Blackmill, and more.
