

Freak Music is proud to present the "Wide" - outstanding collection of five construction kits, perfect for your next chillstep, chillout, lounge and r&b productions. This immense product comes with WAV Loops, MIDI Files and Reveal Sound's Spire presets to maximize the potential of a perfect sample pack. Additional MIDIs, Presets and Soundbank will absolutely fill your expectations - you can freely change the velocity, tempo and even key of each melody. Simply drag and drop your loops in your favorite DAW. It is an amazing, versatile product.

Everything included is 100% Royalty-Free, so once purchased, you can use them in your commercial releases without having to pay any hidden costs. Categorized in folders for an easy access, clearly named, tempo and BPM labeled. Created with heart for you, for your productions, for your music, for your heart.

Please note: To access presets, you need up to date Reveal Sound's Spire.
