Vadim Bonkrashkov is proud to present his new 'Wild Love (Future Rave)' Logic Pro X Template.

It is a brand new template produced in Logic Pro X implemented in the festival Future Rave/Melodic Techno/EDM style like David Guetta & Morten style. In this template, you will find out how to build an energetic edm production with powerful kick & lead with beautiful and atmospheric melodies and energy of mainstage

You get an insight into the processing of the individual channels, through the use of EQ, compression, distortion, delay, reverbs, and more.
