

From the producer who brought you Autumn Deep House (Computer Music Magazine 8/10).

He's back with a second pack for more melodic house goodness, bringing you the fire this Winter!

Produced by a top ghost producer... having released on Spinnin' Deep Records, Sony Records, Ultra Records & Toolroom just to name a few... this pack is superbly produced with every sample painstakingly eq'd, compressed & mastered to ensure you have professional sounding loops to drop straight into your productions.

Whether you are a beginner or an expert, these kits and loops will further your production and spark instant creativity for these winter months.

The pack includes everything you need to make your next hit... song kits, loops, midi, fx, one hits.

Contents:

- 5 Song Kits (Bass, Synths, FX, Fills, Vox, Drums) + MIDI
- 80 One Hits (Kicks, Claps, Percs, Hats)
- 28 Bonus Loops (Bass, Chords, Lead, Full Loops) + MIDI
- 100% Royalty Free!!!
