

Witch Trap Description

We present a new edition of the Trap genre by Seven Sounds, "Witch Trap". A Pack with incredible synthesizer arpeggios, and it also contains vocals, with a dark and at the same time melancholic vibe, taking you through the universe of creativity so you can create your next work of art. This pack contains 4 construction kits full of ideas, sounds and a lot of energy. If what you are looking for is to give a fresh air to your next songs, then this content is for you. 100% royalty-free.
