

**'What About: Wobble Bass Tools' is the dirtiest and biggest Bass House pack ever created by W. A. Production. Inside this product you will find 12 Construction Kits, 90 drum loops, over 20 exclusive and original Serum and Spire presets, FL Studio & Ableton templates, Drum samples and so much more.**

Only the finest bass tools are in here for your production. The W. A. Production team has pushed the limits again and delivered this exclusive 2.5 GB pack.

All sounds were prepared and crafted by an experienced team of producers, so you are sure to receive only the nest of the best. The demo speaks for itself.

In case you are looking for some inspiration or fresh bass sounds for your library, you simply cannot miss this giant.

Also included is a tutorial made by Ryan Enzed with DAW session and samples provided.
