

Audentity Records proudly presents: Wonky Riddim

Inspired by names like ,Virtual Riot, Eh!de, Panda Eyes, Spag Heddy and more.

We added everything in this pack to give you all the tools to make some heavy Riddim tracks. Enjoy our new programmed Serum Presets, Construction Kits, Synth, Bass and drumloops and much more.

Join one of the most growing sub genres at the moment: Riddim!

It's not too late, the hype has just started with tracks being played on all festivals, Basements and clubs.

All Royalty Free!
