

Our new Future House pack is really big!

It has 8 FULL construction kits, Presets for Massive, Serum and Sylenth, Midis, Dry & Wet Stems & One Shot Wavs.

A lot of work went into the production of this sample pack, as always we want to give you the best possible tools to let you make your next Future House bomb!

Not only did we include presets, but also One Shots(in case we used samples instead of presets).
