

‘World Up House’ by DJ Burlak delivers a super-charged collection of prime-time samples for Deep, Tech and Groovy House productions.

Packed to the brim with essential loops and sounds this 2Gb+ collection is loaded with groovy bass loops, punchy drums, diverse selection of drum hits, warm keys, cutting-edge melodics, melancholic chord progressions, funky guitar licks, kick-free rhythms, organic percussion elements, slammin’ drum fills and so much more!

This collection also features MIDI files for easy re-arrangements or additional sound layering.

DJ Burlak is one of the most prolific producers in Bulgaria with his records being published on such records labels as Universal, Pornostar, PP Music, Which Bottle? and his own World Up Recordings. He is also an official remixer of some Eurovision song contest tracks.

Crafted to perfection – ‘World Up House’ by DJ Burlak brings some serious sounds on the table!
