

Regall music corp. proudly presents Zeinith patch collection- Chillwave, retrowave patches for U-he Diva.

162 Inspiring, dreamy and nostalgic patches. With this patchset you can get sounds similar to artists like Com truisse, boards of canada and timecop 1983.

Thick basses, lush dreamy pads, bells, synths and atmospheres.

A great and valuable collection. Perfect for Chillwave, retrowave and Lo-fi hip hop.

Demo is all Diva including drums. No outside effects were used.

BONUS- Includes Ableton live set as used in demo with all MIDIs.

(Requires Ableton live version 11)
